WHO WE ARE ?

We are a brokerage firm with a high degree of social responsibility. We assist you to trade in financial markets with foreign currencies, shares, indices and commodities safely, using the most common trading platforms worldwide.

We believe that every intelligent person is capable of making own decisions on their finances. That is why we teach our clients how to work in financial markets towards their own benefit, giving them a unique opportunity to manage their finances in their own way.

OUR HISTORY AND LEGITMACY

Fizino Limited is a global leader in financial management business, We are not a Start up, we are a team with proven integrity and successful financial track records for years extending across the global financial markets. Today, the company offers services in more than 40 countries, providing some of the broadest, most sophisticated financial management.

Fizino Limited continues its pioneering work of transforming thousandaires into millions, with advanced financial management skills and experts using intelligent digital and web solutions, including our flagship website. As we continue to seek more strategic ways to expand our offerings in financial management, we have taken steps to ensure that we have the processes, technology to deliver the highest level of service and support to our customers. In 2021 we became officially incorporated, therefore we adhere to strict KYC and AML global compliance standards. Let your crypto work for you.

INSURANCE SERVICE

Your funds are protected by industry-leading security protocols in which investors receive financial protection.

HIGH RELIABILITY

We are trusted by a huge number of people. We are working hard constantly to improve the level of our security system.

BEST SUPPORT

We offer 24/7 customer support services to ensure that you get right answers when needed.
